"My Heart Is Broken In A Thousand Pieces"

Every since I heard the news, my heart has broken into a thousand pieces. Tears flowing down my face like a river. Carlton Eugene Dove you were my only sister Jewel's fourth child and third son. When I think of you, the scripture, "A merry heart doeth good like a medicine"...Proverbs 17:22, comes to mind. I think of you when something was really funny to you, you would laugh till you passed out on the floor from laughing so hard. I think about how you were a hard worker with great work ethics; how you loved your children and family. You loved family get together's, cookouts and good food. My heart is broken into a thousand pieces as I am still numb with disbelief. I think about the scripture from Genesis 2:7, And the Lord formed man from the dust of the ground and breathed into his nostrils the breathe of life and man became a living soul. My heart is broken in a thousand pieces as I think of how the wicked one came to steal a life that only God could give. My heart is broken in a thousand pieces as I realize there will be no more smiles, infectious laughs, hugs or I love you's. As I think of this with a tear stained face, I have to hold fast to this scripture: Matthew 5:4: Blessed are they that mourn for they shall be comforted.

Missing you with a heart broken into a thousand pieces.
