## *"Life"*

*Life is but a stopping place, a pause in what's to be, a resting place along the road to sweet eternity. We all have different journeys, different paths along the way, we all were meant to learn some things, but never meant to stay... Our destination is a place, far greater than we know. For some the journeys quicker, for others the journey's slow. And when the journey finally ends we'll claim a great reward and find an everlasting peace together with the Lord.*

### ***To Those I Love And Those That Love Me***

*When I am gone, release me, let me go; I have so many things to see and do; you must not tie yourself to me with tears; be happy that we had so many years; I gave you my love, you can only guess how much you gave me in happiness; I thank you for the love you have shown but now it's time I traveled on alone.*

*So grieve a while for me, if grieve you must then let your grief be comforted by trust. It's only for a while that we must part, so bless the memories within your heart.*

*I won't be far away for life goes on so if you need me, call and I will come though you can't see me or touch me, I'll be near. And if you listen with your heart, you will hear, all my love around you, loud and clear. And then, when you must come this way alone, I'll greet you at Heaven's gate with a smile and a "Welcome Home."*
