Family Members and Friends

Bow not a head in sadness, shed not an eye with tears, look up instead with nothing said and remember that I was here. Smile and share laughter in the fond memories that tell our story and know the journey I travel now is on the road to glory. My earthly works are now complete and I've done my very best, I've thanked the Lord for each of you and it is now time that I rest.

Rest In Peace

"Life"

Life is but a stopping place, a pause in what's to be, a resting place along the road to sweet eternity. We all have different journeys, different paths along the way, we all were meant to learn some things, but never meant to stay...

Our destination is a place, far greater than we know. For some the journeys quicker, for others the journey's slow.

And when the journey finally ends we'll claim a great reward and find an everlasting peace together with the Lord.
