“WHEN TOMORROW STARTS WITHOUT ME”

When tomorrow starts without me,
And I am not there to see,
If the sun should rise and find your eyes
all filled with tears for me,

I know how much you love me,
As much as I love you,
and every time that you think of me,
I know you will miss me too.

But when tomorrow starts without me,
Please try to understand,
That an Angel came and called my
name, and took me by the hand,

And said my place was ready,
In heaven far above,
And that I would have to leave behind
All those I dearly love.

So, when tomorrow starts without me,
Do not think we are far apart,
For every time you think of me,
I am right there, in your hearts.
