

To My Kali Girl: From the day your mom found out she was pregnant we were so excited and so ready to meet you. You were going to be so spoiled Baby girl. Between me, your mom, and dad everything you ever needed or wanted for you were going to have. You were going to be my mini-me. I hate that you are not here with us. But I guess God needed you more than we did. I know your Grandma will take good care of you while you're gone. I love and miss you Kali Marie.

From the very first moment I found out about you people wished death on you. I never understood why. Besides, some people are just evil; everything happens for a reason. So, I'll never say that the enemy won. I love you more each and everyday. The pain is unbearable, but I'm okay knowing you are sleeping peacefully with your Grandma. I will love you forever Kali girl! Please watch over us. I love you.

Everything happens for a reason baby and daddy hate that it had to be this way. Know your mommy did everything in her power to protect you baby. We Love you so much KThang! You will forever live on and be great in God's Kingdom. Watch and protect us! Bae, I Love you!
