I'm Free

Don't grieve for me, for now I am free. I'm following the path God laid for me. I took his hand when I heard him call. I turned my back and left it all. I could not stay another day to laugh, to love, to work or play. Tasks left undone must stay that way. I found that place at the close of the day. If my parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss, ah yes, these things I too will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My life has been full, I've savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief; don't lengthen it now with undue grief. Lift up your heart and share with me, God wanted me now, He set me Free!

Acknowledgements

Perhaps you sent a lovely card or sat quietly in a chair. Perhaps you sent a floral spray. If so, we saw it there. Perhaps you spoke the kindest words as any friend would say. Perhaps you were not there at all, just thought of us that day. Whatever you did to console our spirits, we thank you so much from the bottom of our hearts.
