

## *Life Is A Miracle*

*By: Alicia Wilcox*

*The life God has given you is a Miracle, don't let it slip away, open your heart to family and others and give yourself each day, See the beauty in everyone regardless of where they've been or what they've done.*

*Share your talents and gifts and listen with your heart. Do the things you dream about but don't have the time to start. Send a bouquet of flowers to show someone that you care. Be grateful and forgiving because life isn't always fair.*

*Hold on to faith and God's unchanging hands because you will need it down the road over and over again. We all have a cross to bear and many need someone to share the burdens that it may bring.*

*If you practice all these things no matter where you roam, you may find both sun and rain, but you'll never be alone.*

*I'm with you always!*

## *Acknowledgement*

Our hearts are so full of love and gratitude to all of you. Your prayers, words of consolation, flowers and the many kind acts both seen and unseen have sustained us throughout the passing of our loved one. We thank God for friends and family like you. May God richly bless you all.
