The moment that you left me, my heart split in two. One side filled with memories, the other side died with you. I often lay awake at night when the world is fast asleep and take a walk down memory lane with tears upon my cheeks. Remembering you is easy. I do it everyday; but missing you is a heartache that never goes away. I hold you tightly within my heart and there you will remain. You see, life has gone on without you, but will never be the same.

Love Always and Forever Mama,

Trina
