

Johnny Was Here

I wanted to leave my footprints on the sands of time
 Know there was something that I left behind
 I departed this world with no regrets
 Leaving something for you to remember, so you won't forget
 I was here, I lived, I loved,
 I did, I've done, everything God allowed me to do
 And it was more than I thought it would be
 I will leave my mark so everyone will know I was here
 I wanna say I lived each day until I died
 I tried to make a difference in somebody's life
 The hearts I have touched, will be the proof that I leave
 That I made a difference and this world will see
 That I gave my all, did my best
 Brought someone some happiness
 Left this world a little better just because
 I was here,
 I lived,
 I loved
