## *"Five Minutes"*

If I only had five minutes, the day you passed away, I would have had time to tell you, all the things we needed to say. I never got to tell you, how much you meant to me. Or that you were the best, that anyone could be. The last time I talked to you, I wish I would known, I would have said I love you, and kept you on the phone.

**If I only had five minutes, the day you passed away...**

I would hold on to you with real tight hugs, I wouldn't want you to go. I would tell you that I'll miss you, more than you'll ever know. Now God has called upon you, it's time to get your wings to leave this life behind you, and enjoy all of heavens beautiful things. So wait for me in heaven, don't let me come alone. The day the angels come for me, please be there to bring me home.

## *Acknowledgements*
