

Miss Me-But Let Me Go

When I come to the end of the road and the sun has set for me, I want no rites in a gloom-filled room, why cry for a soul set free? Miss me a little- but not for long. And not with your heads bowed low. Remember the love that we once shared, miss me, but let me go. For this is a journey we must all take; and each must go alone; It's all part of the Master's plan, a step on the road to home. When you are lonely and sick at heart, go to the friends we know, laugh at all the things we used to do. Miss me, but let me go.

Missing You...

Your tenderness and loving ways
Still get me through my lonely days
The picture carries in my mind
With love that stands the test of time
You helped me find my walking shoes
And taught me lessons I still use
Each time I think of you I smile
I know I'll see you
After while
