

When a believing loved one dies or we ourselves face the process of dying, there's great comfort in the fact that to be absent from the body is to be present with the Lord.

Death for us is not a Dark journey into the Unknown. It is not a lonely walk into a strange and friendless place. Rather it is a glorious transition from the trails of earth into the joys of heaven, where we will be united with our loved in Christ, who have gone before us. Best of all we will enjoy the presence of our Lord forever, yes when a believer dies the body is buried not the soul. It has ascended.

Oh, how blessed is the promise when our spirit is set free. To be absent from the body means to live, O' Lord with thee.

### *Acknowledgement*

To the family and all extended family, we know that great is The Lord God Jehovah that keeps us, simply when we need him in our daily walk in our lives or simply when we need him the most! May our joy be filled in this time of sorrow. May the peace of God be the pillow one lays one's head upon, when life gives its heaviest trials.

Sincerely,  
The Daniels Family

# *A Celebration of Life*

**Willie Fred Daniels** was born July 26, 1949 to Milton and Mary Daniels. He is the eldest son of thirteen children. Willie attend and graduated from Eugene J. Butler, where he excelled in academics. He also participated in body building, where he won the Mr. Atlas Competition.

**Willie** leaves to mourn his beloved wife, Linda E. Daniels, of 21 years of marriage; brother, Reuben (Denise), Anthony (family) and Ronnie Daniels (family); daughters, Tonya Webber (family) and Mary Cobbs (family); stepsons, Steven Hill( family) and Damon Mixon (family); and a host of other family members and friends.

We are blessed to have had Willie in our lives. He served others and showed us what it means to live and walk out the Love of Christ Jesus, while on the earth. For every pain, that we must bare, for every sorrow, and every care, there is a reason. For every grief, for every trial, for every weary lonely smile, there is a reason. But if we trust as we should, all will work for the good, For God knows the reason.

On behalf of the Late Willie Daniels....Take Your Rest Now!

For we know that God's word from The Holy Bible shows that God's Holy Scriptures are a Life Blood to Our Existence. His Breath is the Fabric weaved into our whole being, from the father, into our spirit, soul, body, mouth, and lives. God is our healer. So it is , at the close of our lives, God gives unto his children, Eternal rest. It is with gladness that even though brother Willie Daniels fell in the Earth Realm to sleep. We see spiritually that he woke up into Heaven's Bliss! Into the arms of our Lord Jesus Mighty Eternal Big Arms! These are our Life Words from the Father.
