Acknowledgment

We, the family, would like to acknowledge the immense amount of support received during this difficult time. Physical support through your presence, emotional support through words or other actions, and financial support through donations and contributions to ensure that we can properly lay Jabari to rest. Many of you shared stories about your experiences with Jabari; reminding us that his memory will live on, far into the future. For ALL of this, we thank you.

*Jabari in tears we saw you sinking,
And watched you pass away.
Our hearts were almost broken,
We wanted you to stay.
But when we saw you sleeping,
So peaceful, free from pain,
How could we wish you back with us,
To suffer that again.
It broke our hearts to lose you,
But you did not go alone,
For part of us went with you,
The day God took you home.*
