Change of Address

Dear Family and Friends,

This letter is to let you know on Friday, March 11th, 2022, I moved from my old house to a brand-new home. I received a call from God, the Chief Architect, who informed me that my new home was ready and requested I move in immediately. You all know for the past several years I have been sending my Timber, packing up and getting ready to go. There were some minor finishing touches in some of the timber that only the Chief Carpenter Jesus Christ, could do. Now that my new home is finished it is a beautiful sight to behold! It is located in an executive estate behind a beautiful gate just off the celestial shore. The streets are paved with gold and everyday is like a Sunday. I've lived in many places before my new home was prepared and none of the others can compare. There's peace, joy and happiness here with no more pain to fear, no headaches, no strife or discontent. There is only sweet spirit everywhere, I can go on and on about my new home, but I must get fitted for my new wings and my starry crown. Let me give you my new address:
