I'm Always In Your Heart

Picture me as I was
Full of life and love,
Although not with you now,
I'm watching from above.
I know how much you miss me,
And I miss you too.
It was my time to leave,
As each of us will do.
Although not in your arms,
I'm always in your heart.
The previous love we shared,
Means we're never far apart.
I'm Always In Your Heart.

The Obituary

Precious Memories

Brittani Danielle Clay was born in Jacksonville, Florida on September 12, 1990, to Monique Clay-Jenkins and Stanley Clay, Jr. She was preceded in death by her loving grandmother Patricia Bryant Jenkins and Aunt Wanda Clay. Brittani accepted Christ as a youth. She graduated from William M. Raines Senior High School in 2009. Brittani was a dedicated employee of Florida Blue for more than five (5) years.

Brittani's greatest joy was spending time with her family. She enjoyed traveling and hanging out with friends. Brittani was known for her infectious smile and caring spirit. On Sunday, March 20, 2022, God whispered "Come my child you have kept the faith, fought the good fight, and finished your course. I have prepared a special place just for you."

God called **Brittani** home to glory sooner than we were ready for her to leave. Brittani leaves to mourn her passing and cherish her loving memories, her caring and devoted parents: Monique Clay-Jenkins and Stanley Clay, Jr. (Patricia); brothers: Brandon Clay, Braxton Clay (Gabrielle), Bryant Jenkins, and Christopher Franklin; grandfathers: Fredrick Jenkins (Carol) and Stanley Clay Sr; grandmothers: Barbara Clay and Sylvia Smith; Uncles: Mark Miller (Erica), Christopher Jenkins (Syteria), Freddy Barton (Denise); and Willie Bullard Jr. (Ashley); aunts: Kim Brooks, Jenita Barton (Taran), Sonya Bass, and Regina Jenkins; and a host of nieces, nephews, cousins, other relatives, and friends who loved her. A special thank you to Nehemiah Poole.

To My Baby Girl

As I sit here in disbelief it gets harder and harder while I wipe these tears from my eyes. You left me without saying goodbye and I keep questioning WHY? In my heart, you will always be in a special place that will never be replaced. I now understand what a Crack symbolizes in a heart because that's how my heart feels. It's broken upon no repair. You were my best friend, you took care of me and I gratefully appreciate you because you never complained. I'm looking at the chair in my room remembering our last conversation about our mother-daughter retreat to Honduras. I will continue doing what you asked me to do. I miss hearing you call my name, "Maaaa", until I answered you. I miss how you would duo me even though I tell you I looked a mess. I miss hearing you tell me "I'M FINNA GO", and I ask, "what is a finna?" I miss seeing your beautiful face. I thank God for allowing me to be with you for 31 years even though it's hard to let go. I will see you again someday. Rest in Paradise my angel.

I love you baby girl,
Ma
