I'm Free

Don't grieve for me, for now I am free. I'm following the path God laid for me. I took his hand when I heard him call. I turned my back and left it all. I could not stay another day to laugh, to love, to work or play. Tasks left undone must stay that way. I found that place at the close of the day. If my parting has left a void, then fill it with remembered joy. A friendship shared, a laugh, a kiss, oh yes, these things, I will miss. Be not burdened with times of sorrow, I wish you the sunshine of tomorrow. My life has been full; I've savored much, good friends, good times, a loved one's touch. Perhaps my time seemed all too brief; don't lengthen it now with undue grief. God wanted me now, He set me Free.
