Dad

*You can shed tears that he is gone
or you can smile because he has lived.
You can close your eyes and pray that
he'll come back or you can open your eyes
and see all he has left.
Your heart can be empty because you can't
see him or you can be full of the love you
shared. You can remember him and only
that he's gone or you can cherish his
memory and let it live on.*

To My Love

*My Darling Husband
I will love you forever.
I will miss your smile
and sense of humor.
I miss you already.
Sweet dreams my love.*
