## *I'm Free*

*Don't grieve for me, for now I'm free. I'm following the path  
God has laid you see. I took His hand when I heard him call I  
turned my back and left it all. I could not stay another day. To  
laugh, to love, to work, to play. Tasks left undone must stay  
that way, I found that peace at the close of day. If my parting  
has left a void, Then fill it with remembered joy. A friendship  
shared, a laugh, a kiss, Oh yes, these things I too will miss. Be  
not burdened with times of sorrow, I wish you the sunshine of  
tomorrow. My life's been full, I savored much; Good friends,  
good times, a loved one's touch. Perhaps my time seemed all  
too brief. Don't lengthen it now with undue grief. Lift up your  
hearts and peace to thee. God wanted me now; He set me free.*

## *Acknowledgements*

Perhaps you sent a lovely card or said a silent prayer.  
Perhaps you sent those beautiful flowers, that we saw sitting there.  
Perhaps you spoke the kindest words, as any friend could say.  
Perhaps you were not there at all, just thought of us that day.  
Whatever you did, we thank you from the bottom of our hearts.
