God Saw You Getting Weary

God saw you getting weary  
So, He did what he thought best.  
He came and stood beside you,  
And whispered come and rest.  
You wished no one a last farewell  
Nor even said goodbye  
You were gone before we knew it,  
And only God knows why.  
When God called you to come and rest,  
You didn't go alone  
For part of us went with you  
The day God took you home.
