Remember Me

*Don't remember me with sadness, Don't remember me with tears,
Remember all the laughter, We've shared throughout the years,
Now I am contented That my life it was worthwhile, Knowing that I passed along
the way I made somebody smile. When you are walking down the street
And you've got me on your mind, I'm walking in your footsteps, Only half a step
behind. So please don't be unhappy Just because I'm out of sight, Remember that I'm
with you Each morning, noon and night.*
