

"To My Soulja"

*I was told it's not Meant for us to
Articulate a loved one's passing.
Our mind and our hearts have to learn
to be Receptive to our new realities.
So I'll think back on how your presence
would shine as you walk in any room.
Always Composed, but yet Outspoken.
You were Honorable and Optimal
in many titles you held. As secret tears
flow and I search for Lucidity,
may the Memories be Enough
and bring me peace until
I see my Soulja again,*

Acknowledgements

Perhaps you sent a lovely card, or sat quietly in a chair. Perhaps you sent a floral arrangement, if so, we saw it there. Perhaps you spoke the kindest words as any friend would say. Perhaps you were not there at all; just thought of us that day. Whatever you did to console our hearts, we thank you very much., whatever the part. May God bless you!
