Those We Love Remain With Us

Those we love remain with us for love itself lives on, and cherished memories never fade because a loved one's gone. Those we love can never be more than a thought apart, for as long as there is memory, they'll live on forever in the heart.

Acknowledgement

Our family wishes to express our sincere gratitude to all those who have supported us during this time of loss. Special thanks to the staff at DCI Riverside which is where Clifton visited weekly to take his dialysis treatment.
